Children should arrive dressed for play. We like to have fun! Having fun involves outdoor play and lots of messy activities, so make sure that your child is dressed appropriately. Please don't dress your child in nice clothing and expect them to be spotless when you arrive to pick them up. Clothing should be comfortable and seasonally appropriate for outdoor play. Make sure to include hats, mittens, boots and coats for cold weather.

**Please note that once your child quiet the daycare, all items will be destroyed in the 7 days leaving.**
